## MAKE UP REMOVER

Astrali Cleansing Milk: radiant softness for your skin.

Taking care of your skin is an essential part of any beauty routine, and choosing a quality cleanser is crucial to maintaining healthy, radiant skin. That's where Astrali Cleansing Milk comes in, offering a gentle and effective solution for removing make-up and impurities while preserving the skin's natural balance.

Astrali Cleansing Milk is distinguished by its carefully developed formula, designed to suit all skin types, even the most sensitive. Its creamy texture glides gently over the skin, enveloping every particle of make-up and dirt for deep cleansing. Enriched with soothing and moisturising ingredients such as holy basil, milk thistle and ulvea compressa seaweed, this cleansing milk leaves skin fresh, supple and revitalised after every use.

One of the most remarkable features of Astrali Cleansing Milk is its ability to remove even water-resistant, long-lasting make-up without excessive effort or aggressive rubbing.

Applying Astrali Cleansing Milk is a moment of relaxation. Simply pour a small amount of milk onto a cotton pad or directly into your hands, then gently massage over your face and neck.

*With a few circular movements, the make-up begins to dissolve, leaving your skin feeling soft and supple.*
